### 4. Results and Ranking

An athlete's Overall Series Points are the average of his/her best two (2) Assigned Points in one discipline (by discipline and gender).

Overall Series Points are then ranked by the highest score by gender and group per discipline.

Overall Series Results for different disciplines are not added together and are maintained separately for each discipline.

### 5. Tie Breaking

In the event of a tie, the single highest Assigned Points score will be used to break the tie.

### 6. Posting of Results

The Overall Series Results list will be published and updated at [www.bcsnowboard.com](http://www.bcsnowboard.com) and distributed by email and Facebook.
